Instruction upon call out

- Respond to call and attend site.
- Make contact with the Beva Control on 01706 667 762
- Act upon the information or directions provided by the Beva Control, who can view some of the site remotely by CCTV.
- Maintain communication with Beva Control whilst you are on site and report your findings.

Instructions to override the electronic gate controls, should it be necessary

If the power should fail and access to the site is required, adopt the following procedure.

Proceed to the pedestrian access gate, which is located approximately 25 yards to the left of the main access gate, as you look at the gate from the road.

The Gate Control Box is on the right of the gate looking from the inside. Unlock control gear and pull out the release lever, this will now allow manual opening of gate.

Equipment

Beva provides chain and padlocks should they be required to secure their premises. Do not use this equipment for any other customer's property. Once Beva premises are secured using the provided equipment, stand down or await further instruction, Beva Staff will still be able to gain entry if required.

5.1 Dealing with and Reporting Incidents

An Incident Report Form [SP 12 09](#) Should be completed in relation to all incidents at the site and logged prior to you finishing your shift. See Appendix B

Action in the event of Intruder Alarm / Break-In

Security Officers shall only attempt to apprehend an intruder(s) if safe to do so.

- The Police shall be informed immediately and requested to attend using the '999' Emergency services system.
- Provide the name and address of the Site, the exact nature of the incident and any other relevant information.
- Inform Beva and Frontline Security Services Limited Control of the situation.
- Whilst awaiting the arrival of the Police, endeavour to keep the intruder(s) under observation, recording all details such as description, vehicles registration numbers, location where last seen etc.
- Speak to the Police on their arrival to report the situation and accompany them on their investigation.
- Should an insecurity, break-in or damage be discovered, but no intruders found on site, the Police must still be informed and requested to attend.
- Control and the clients Emergency Contact shall be informed as soon as is practicable.

Health and Safety

It is the Company policy that all company activities are carried out in conditions that ensure the safety, health and welfare of all persons affected by the company's activities.

The Company Policy is outlined in the Health and Safety Manual [SP 01 05](#) and the Health and Safety Statement and specific policies in relation to Office Based Working and Lone Working are outlined in [SP 12 04](#) .

The Company's commitment to Health, Safety and welfare must be met by the same commitment from all Company employees. Each employee must ensure that they

themselves carry out their operation in a safe and secure manner, in line with the Company codes of practise, either current as included in the Health and Safety Policy Document or purpose drafted codes of practise.

It is Company policy that employees will not be asked to carry out duties unless they are:

- Trained to carry out that duty.
- Competent to carry out that duty
